## 15 Convert fahrenheit into celsius

```
#include <stdio.h>

int main() {

    int fahrenheit, celsius;

    printf("32");

    scanf("%d", &fahrenheit);

    celsius = ((5/9)*(fahrenheit-32));

    printf("celsius = %d\n", celsius);

    return 0;

}
```
